Looking to attend EarlyON programs?

Create your account using the Region of Peel’s Children’s Services online tool
If you have already applied for Child Care Subsidy with the ROP, you may already have an account!

First Step (How to Create Your Account):

- Visit InfoPeel.ca and select EarlyON
- Select “[Help Registering for EarlyON Programs](#)” for our step-by-step guide
- Or, select “[Program Calendars](#)” and look for the **Sign In** option on your:
 - computer - located in the top right-hand corner  **Sign In**
 - phone - select the  menu icon in the top left-hand corner

- Follow the prompts for “Create an Account” with **your** information (not your child’s)
- You will then get an email; follow the prompts to confirm your account

You are done!

Next Step (Attending an EarlyON):

- The first time you attend an EarlyON location in-person, you will then be able to use your account to “Check-In” to the program via QR code that will be available on site. You will also be prompted to add the rest of your participant information at this time.
- Once your information, your child(ren)’s information, and any other member that will attend has been added to your profile, it will be saved for easy check-in going forwards!

*Having difficulty creating your account?
